MARGARET RIVER

**CHRIS DAVIES**  
**ASSISTANT WINEMAKER &**  
**VITICULTURALIST**

The son of Len and Barbara Davies, Chris began his work in vineyards at 17 years of age and now at only 29 already has 12 years of experience in the industry under his belt.

Chris began his career in the vineyards of Evans and Tate where he worked for 3 years, primarily in the iconic Redbrook vineyard. It was here that Chris developed his skills and his passion for the Industry became evident. His thirst for knowledge led him to study viticulture at TAFE whilst continuing his work.

Following his family's purchase of Windows Estate in 1999 Chris immediately began managing the vineyard. The Estate vineyard flourished as a result of his dedication and commitment to excellence. Chris strives for perfection in every aspect of the vineyard, he carries out all of the work in the vineyard himself ensuring that the job is not only completed but finished to the highest standards.

Chris is now also taking steps into the winery as the Assistant Winemaker working under the guidance of consultant winemaker, Mick Scott. Taking on both roles can be challenging at times but very rewarding.
