

# WINDOWS ESTATE

## MARGARET RIVER

### James Halliday 2010

93/100 - 2008 Semillon  
Skilled winemaking has introduced subtle barrel ferment characters to a wine rich in fruit flavours, yet retaining finesse and elegance. Drink now or in 10 years' time.

92/100 - 2008 Semillon Sauvignon Blanc  
Shares many of the attributes of the Sauvignon Blanc, perhaps with a little more structure and length from the semillon, and slightly less tropical fruits; very good overall balance and length.

92/100 - 2008 Sauvignon Blanc  
Bright straw-green; has light but fresh and precise aromas and flavours of tropical and citrus fruits; elegant wine.

90/100 - 2007 Shiraz  
Flavours are complex and multilayered, ranging across blackberry, licorice, black pepper and spice.

89/100 - 2007 Cabernet Sauvignon  
Fragrant aromas of cassis, mint and leaf, then a juicy ripe palate, sweet fruits up front, more savoury notes on the back-palate.
