

WINDOWS ESTATE

MARGARET RIVER

PRESS RELEASE

Following on from the success of the 2007 Cabernet Sauvignon, the 2008 Windows Estate Cabernet Sauvignon has been awarded a Silver medal at the prestigious 2010 International Wine Challenge in London.

Winemakers Mick Scott and Chris Davies are thrilled with the result and justifiably so, the International Wine Challenge is regarded as the worlds most prestigious and influential wine competition. A large part of the IWC's reputation is down to the quality and experience of its judges. This year, more than 370 winemakers, merchants and writers from around the world took part.

Meticulous vineyard management teamed with the outstanding winemaking skills of Mick Scott has resulted in a beautifully structured wine showcasing luscious, rich dense blackberries and blackcurrants, olive, violets and earthy tones supported by aromatic French oak.

This wine is available direct from the winery or at selected outlets across Australia.
